

LIFOAM™ | ENVIROCOOLER™

ActiVault™ 4°C

Are you looking for mobility and reliability in your cold chain storage? The Envirocooler™ ActiVault™ gives people trusted cold chain performance where they need it, when they need it.

Efficient – Less than 40 watts of power to maintain 4°C from AC or DC outlets

Reliable – With battery backup, will maintain temperature even in case of a power outage

Portable – small footprint and light weight, able to be used in a variety of spaces and vehicles

Secure – Locking lid keeps payload secure

The ActiVault™ is perfect for a variety of applications:

Medical Couriers

Portable Vaccine Storage

Pharma Sales Reps

Mobile Vaccination Events

About Lifoam™

Lifoam™ has been supplying thermally controlled packaging to the healthcare, commercial, and retail industries for 50+ years through its Lifoam™, Propak™, and Envirocooler™ brands.

With 7 manufacturing facilities throughout the US, two thermal testing labs in Belcamp, MD and Huntington Beach, CA, and a full line of technologies, Lifoam™ is committed to protecting what's important to you.
