

# LIFOAM™

# ENVIROCOOLER®

## XP-4 Pallet Shipper

Utilizing our high performance, lightweight ePUR insulation, the XP-4 Pallet Shipper is designed for maximum thermal protection and ease of use, so you can remain confident that your payload is protected, even in the most challenging shipping lanes.

**Passive transport – no more costly or complicated lease programs**

**Extreme performance in multiple lanes**

**Single-person assembly**

**Can fit two on standard PMC cookie sheet**

**120+ Hour performance**

**OD: 67.75" x 59.75" x 62.25"**

**Payload Space: 48" x 40" x 34" – assuming 5" pallet**

## About Lifoam™

Lifoam™ has been supplying thermally controlled packaging to the healthcare, commercial, and retail industries for 50+ years through it's Lifoam™, Propak™, and Envirocooler™ brands.

With 7 manufacturing facilities throughout the US, two thermal testing labs in Belcamp, MD and Huntington Beach, CA, and a full line of technologies, Lifoam™ is committed to protecting what's important to you.
